

Reception Spring term 2 Homework

Task Five

Can you make some gingerbread men?

Follow the recipe and take lots of photos for your homework book.

Task one

Can you write a list of things you would put in a magic spell? Can you tell us what your magic spell will do?

Fairy tales.

There are 5 tasks. Your child needs to pick one task per week to complete. Homework will be given out on a Friday and needs to be handed in on a Wednesday. Please write at the top of the page the task your child is completing.

Task two

The three little pigs need your help. Can you make a 3-d house out of a material that would be good to keep them dry (waterproof)?

Task Four

Can you draw the front cover of your favourite fairy tale story? Why is it your favourite story? What characters are in the story? Where is the story set?

Task three

Can you tell us about a time in your life when you have felt like a prince or princess?

Dinosaur Chocolate Nests

Ingredients (Makes a batch of about 8 eggs)

Plain or Milk cooking Chocolate 225 grammes (8oz)

Packet of Breakfast Cereal Cornflakes or Shredded Wheat variety

Packet of Sugar Coated Mini-chocolate Eggs

Pack of Small Cake Cases

Method

1. Break the cooking chocolate into pieces and place in a heat-proof bowl. Melt the chocolate over a pan of simmering water.
2. Once the chocolate has melted remove it from the heat and give it a good stir in the bowl.
3. Add some of the breakfast cereal until the mixture takes on a brown twiggly look.
4. Carefully spoon enough of the mix into each paper case so that a little nest is formed. Make sure you push it down in the middle so that each nest has a hollow in the centre.
5. Place two chocolate mini-eggs in the centre of each chocolate nest, the eggs will stick when the chocolate sets. Two eggs is all you need for each nest (we know that some dinosaurs laid eggs in pairs so your chocolate nests would please a palaeontologist).
6. Then leave the nests to set.
