School Meals Menu

November 2015 to March 2016

Take a look at our new menu - packed full of the dishes our customers know and love and some new ones we hope you will enjoy

Free School meals for infants

This is an exciting time for SIPS Catering as we're cooking more meals than ever now that all Reception, Year 1 and Year 2 pupils are entitled to free school meals. This is a potential saving of over £400 per year per child.

Our menus are just right for older children too - we hope that you'll consider school meals for your Junior aged kids if they haven't tried them before.

Free School meals for Juniors

If you are in receipt of certain benefits your child could be entitled to Free School Meals. For further information and to see if you qualify please call Sandwell Council on: 0121 569 8186.

Join the team!

We're often looking to recruit more kitchen staff so if you're interested in part-time work please contact us to see if we have any vacancies: 0121 296 3000 or email catering@sipseducation.co.uk

Allergens

There is now a legal requirement for us to tell customers if there are any allergens in your food and drinks

14 Foods have been identified as causing allergens. We have all this information to hand in our School Kitchens and at Head Office so please contact us if you'd like to know more.

We cater for students with food allergies as much as we possibly can, and are working with Schools to ensure that we have all the information we need. If your child has a medical requirement regarding food then please be sure that you let the School know.

More details can be found by visiting: www.food.gov.uk/allergy
