## BOREATTON PARK RESIDENTIAL WEEKEND

Dear Parent/ Carer,

### RE: Boreatton Park Residential Weekend

With the residential drawing closer, we wanted to take the opportunity to inform you on some further details of our weekend.

There will be a meeting regarding the trip on Thursday 24<sup>th</sup> May. The meeting will start at 2:30pm and will finish by the end of the day for you to collect your children. If you are unable to attend, please see your child's class teacher so that the details can be shared with you.

As part of our trip, some of the activities may require us to go in or near water. If we do go in the water, all children will be wearing life jackets and will be supervised by the staff. All children will have the opportunity to say that they do not want to join in with any of the activities. We do ask that you sign the permission slip below, giving your child permission to take part in all of the activities if they so wish. All of the staff who deliver the activities at the park are highly trained in the activities which they carry out and they are all first aid trained. Please see the attached list of activities that we are talking part in. Further information on these can be found of their website.

Thank you for your support

Yours sincerely,

Mr. Gadd and Miss Roberts  
Year 6 teachers
