

CURRICULUM WEEK

Ryders Green Primary School

Monday 3rd — Thursday 6th April 2017

Year 5—Thursday 6th April @ 9.30 am

Year 5 will use the internet to create a quiz/power point all about the Mayan Civilisation. It will contain information that they have been learning this term. They will then, in Kagan groups, carry out the quiz in our class.

Year 4—Wednesday 5th April @ 1.30 pm

In year 4, we will be using laptops and devices to explore 'Bug Club' for reading and writing. We will be exploring how to facilitate and support children's reading comprehension and grammar use; practising skills that we can continue to use at home.

Year 1— Tuesday 4th April @ 9.30 am

As the term draws to an end and we celebrate Year Ones hard work, we would be delighted if you would join us on our curriculum morning. Our morning will run as follows;

9:30 - 10:15 - A short phonics lesson with the children allowing you to gain insight into how phonics is taught. There will also be an opportunity to work with your child in using the wide range of internet apps and resources available to support your child with their phonics over the next term.

10:30 - 11:30 - Activities based around the topics we have covered this term; 'What was life like when our grandparents were children?' and 'Animals.' Join our children in a range of fun activities as we explore aspects of our grandparents' lives and carry out a bug hunt in the KSI garden.

Year 3— Wednesday 5th April @ 9.30 am

On Wednesday morning Year 3 will be celebrating their hard work and achievements over the term by showcasing their very talented skills at playing the trumpet with Mrs Williams. They will also be using 'Bug Club' on the laptops in order to improve their reading and comprehension skills and to help them build their confidence to use "Bug Club" at home as well as at school.

Reception - Monday 3rd April @ 2.00 pm

Easter Bonnet Parade

Year 2—Tuesday 4th April @ 1.30 pm

In Year 2 we have been so busy this term carrying on our learning and getting ready for the SATs tests that we have to take in May this year.

As part of our Curriculum afternoon, you will have the chance to take part in a Maths and English workshop and also get some top tips of things you can do at home.

We hope you can come along and celebrate all that we have been doing!

Year 6—

Thursday 6th April @ 1.30 pm

During Year 6's curriculum afternoon, we will be sharing some helpful sites for SATs revision at home. This will include some of the websites that we have subscribed to as a school and how these can be used to best support your child's learning.

Nursery - Monday 3rd April @ 2.00 pm

Easter Bonnet Parade
