The focus of the curriculum sessions is to celebrate the work your children have completed over the term using technology and showing parents how they can help their children at home with the Summer Term curriculum

For the Easter Egg Competition, the children will need to decorate a **hard-boiled egg** in any way they choose. Please encourage the children to be as creative as possible. The children can use lots of materials like paint, felt tip-pens, cardboard, crayons, ink or different materials that can be glued to the eggs. The children may like to think of a title for their decorated eggs too. Please remember to put your child's name and class onto the egg/box.

The children can bring their decorated eggs in to school from Monday 3rd April to Thursday 6th April. The winners will be presented with a prize on Friday 7th April. Don't forget to collect them before you go home!

We will be holding our usual Easter Egg Raffle. Tickets will be on sale during the last week of term which will be £1 for 5 or 20p per ticket, your child will have a chance to win an Easter Egg if they buy a ticket.

Yours sincerely,
