Date: 9th February 2017

Dear Parent/ Carer,

In June your child will be taking part in a statutory assessment in phonics. In order to prepare for this, and to give you as much information on how you can support your child, a meeting on getting your child ready for the phonics screening check will be held after school on Thursday 2nd March at 3.25 p.m.

In order to prepare your child for this test, Year One teachers will be holding extra phonics booster sessions after school.

The sessions will be held every Thursday from 3.15 - 4.00 p.m. starting from Thursday 9th March 2017. Phonics is a vital aspect of your child's learning and we therefore want to support them as much as possible in developing their phonic and reading skills. If you would like your child to attend the booster sessions please complete the slip below and return it to school by Friday 17th February.

We are aware that many Year one children attend the science club on a Thursday however, in order to provide further academic support in phonics we would encourage pupils to attend this extra support club instead. Children will be allowed to return to Science afterschool club when Phonics booster has finished in June.

Thank you for your continued support.

The Year 1 Team.
