Date: Wednesday 9th March 2016

Dear Parents/ Carers,

At Ryders Green we ensure that every child has a personal learning journey which records photos, observations and comments. We do this to build up a record of each child's achievements during their time in Reception. We are therefore delighted to announce the launch of our online pupil learning journeys.

Since September we have been trailing a new online profiling system called Tapestry. We would like you to come along to our launch workshop on Wednesday 16th March at 3.25pm. During the workshop we will go through how Tapestry works and how you can contribute to your child's learning journey. When attending the profile meeting you must bring along with you your email address. We will be linking your child's learning journey to your email address, this will enable you to have weekly updates and view your child's learning journey at home.

Yours sincerely

The Early Years Team

Child's name _____ Class _____

I will be able to attend the Tapestry workshop

I will not be able to attend the Tapestry workshop

Signature _____ Parent/Carer
