Dear Year 3 Parents/Carers,

Reading is a crucial life skill and something that everybody must be able to do in order to get by in today's world. It is for this reason, that we as a school place such an importance on children being encouraged to read at home.

Your child is given a home reader book, matched to their current reading level, and a free choice book from our recently restocked school library. It is vital for your child's progress that at home, you spend time reading with and to your child. Questioning them on what they have read will further develop their skills.

In order to support your child's reading, we are encouraging all children in year 3 to become members of the local West Bromwich Library, located only a short walk from school. They have a wide range of services available, ranging from internet use, games consoles and book loans. In order to make joining the library easier, we have attached a library joining form for anyone that isn't already a member. If you bring this form back to school by Thursday 26th May, we will take them to the library and get a joining card for you.

Please find attached the library joining form and a range of questions that you can ask your children when they are reading, or being read to. If we can support you in any other way in regards to reading, please feel free to pop in to school and we can help.

Mr Gadd  
Literacy Coordinator
