Dear Parent/Carer,

We have a very important week planned for Year 5 next week, week commencing 14th March.

In addition to their usual maths and English sessions, we have some special visitors coming in to school and exciting lessons planned. The whole week is going to have a 'Safety' theme, and the children are going to be involved in lots of lessons and activities to ensure that they know how to stay safe in school, if they are out and on the internet.

We hope that the week will be very beneficial to all of the children. If you have any questions or queries please do not hesitate to contact us.

Many thanks

Miss L. Alden
