Dear Parent/Carer

We receive a lot of positive comments about how the school looks and how the school site is being developed for the benefit of all our children and families.

We would like you to write these positive comments down, so they can be shared with the whole school community. Please use the space provided and return them to school by the end of January.

We will note your comments and share some of them if not all on the school website. We will also have a parent/carer comment book which will be available from the beginning of February in our school office area.

Thank you for your continued support, we really value your thoughts.

Yours sincerely

Miss Blackmore
