Dear Parent/Carer

## PLEASE DO NOT IGNORE

We have staff and children in our school who have a severe allergic reaction to peanuts/nuts. This allergic reaction (anaphylactic shock) can occur through eating peanut/nut products, cross contamination and breathing peanuts/nuts in the air.

Since this condition can be life threatening, we are asking for your help in minimising the risk to our affected staff and children by:

- a/ Avoid giving children peanuts/nuts for snack and lunch.
- b/ Avoid giving peanut butter sandwiches, other spreads containing nuts such as Nutella and snacks/bars containing nuts or labelled 'may contain nut traces' in their snack or packed lunches.
- c/ Asking children not to share their snack or packed lunch.

Due to the severity of the problem, it is really important that all parents help us to help others and reduce the risk of an allergic reaction.

Thank you for your continued support.

Yours sincerely

Angela Bradford  
PARENT SUPPORT ADVISOR
