

At Ryders Green we aim to provide children with a range of learning experiences both in and out of school hours. This year we have set up a number of after-school clubs in order to allow children to take part in extra-curricular activities, work with children across the school and to experience new things.

Below are the list of Graduates who achieved their Bronze and Silver awards and certificates on the 23rd June 2017.

Congratulations to all of the children and keep up the hard work!
