

At Ryders Green we aim to provide children with a range of learning experiences both in and out of school hours. This year we have set up a number of after-school clubs in order to allow children to take part in extra-curricular activities, work with children across the school and to experience new things.

Below are the list of Graduates who achieved their Bronze and Silver Certificates on the 11<sup>th</sup> January. These children completed up to 65 hours of after-school clubs.

Congratulations to all of the children and keep up the hard work!
