## Friday

### Bob Marley Art

Create a portrait of Bob using the colours of the Jamaican flag as your background- use water colours if you have them or shade lightly with pencil crayons. Remember if you use water-colours you will need to let the paper dry. You can then use your pencil to draw Bob Marley himself.

*If you practice sketching images of Bob before drawing on your background, please take photos of these, as well as your final image, and send to your class teacher.*
