

*Why did Bob Marley write songs with these messages?*

*What impact do you think he had on his listeners?*

**Three Little Birds by Bob Marley**

Don't worry about a thing  
cause every little thing is gonna be alright  
don't worry about a thing  
every little thing is gonna be alright

Rise up this morning  
smiled with the rising sun  
three little birds  
pitch by my door step  
singing sweet songs  
of melodies pure and true  
saying, this is my message to you:  
don't worry about a thing.
