## School Ulbaate THIS MONTH AT RYDERS GREEN

Our incredible readers in Year 2 had a fantastic visit to West Bromwich Central Library as a 'well done' for all of their hard work this term. The children loved meeting Nick Sharratt. Look out for an exciting new display in our main office in the New Year. Our Year 4 children also had a wonderful author visit to the library as a celebration of those who read frequently at home.

Keep up the hard work!

In school our singers have been in full voice this month. We started off with our Year 6 pupils taking part in a wonderful SIPS music concert at Shireland CBSO. We then supported our local community with a performance at Goldfield Court and ended the term with a carol concert at Winter Wonderland. Well done to all of our amazing performers.

Thank you to all the friends and families that joined us in school for our Music Extravaganza on Tuesday 17th December. It was an amazing opportunity to hear from our huge variety of music after school clubs including ukulele, drums and brass band! We hope you enjoyed the show and look forward to hearing from them again in the new year. Many thanks to all the music teachers who support the children in their musical journey at Ryders Green.

The school hall was transported to a string symphony on Friday 13th December, with our annual String Spectacular. Our violinists from across KS2 did a wonderful job of sharing a whole host of Christmas songs with the parents and certainly got the audience in the festive spirit!

On the 17th December we held our Wow of the Term celebration in school. Congratulations to all of the pupils who have received awards this term.

## School Ubdate THIS MONTH AT RYDERS GREEN

We have been giving you updates on our School Development Priorities and we just wanted to share with you an update of what has been going on this month.

Focus: To help our children in Reception and Nursery become more independent.

Mr Dearn has been able to make links with the Sandwell Parent Team who will be working alongside us and our families looking at skills our pupils can develop, like toileting. We also had all of our reception parents in for a Stay and Play to see what the children get up to when they are at school.

We have enjoyed a whole host of festive performances, stay and play sessions and sing-a-longs in school this December. The pupils have all been incredible throughout, rising to the challenge and showing a determination to succeed. Well done to all of our pupils for their hard work in preparing for the many different events and for all the support of our parents and families. It has been wonderful to see so many of you in school this month.

The winners for the Christmas Hamper Raffle were drawn in school on Thursday. Winners have been contacted and we ask that you come to the Main Reception to claim your prize. Congratulations and thank you to all who took part.

#### Winker Wonderland

Winter Wonderland was back this week and bigger than ever! Everyone enjoyed the different activities, food and drinks and lots of you even met Santa himself! Thank you for all your support with the event, we managed to raise over £500 which will help support all of the free activities we can provide for the children in school like free trips, after school clubs, swimming, music lessons and much, much more! With such fantastic attendance at Winter Wonderland we have listened to feedback and will expand it across the school site next year to allow more space for everyone to get around the stalls and activities.

SEE WHAT THEY COULD BECOME

### MISS SCHOOL, MISS OUT

Attend school for the best start in life

#### COMING UP AT RGPS

Next term we are excited to be welcoming the CBSO into school. They are going to be holding some special assemblies with KS1 and KS2 and then a series of workshops with our Year 5 pupils.

A choir of over 50 pupils will be heading to the BP Pulse Arena in January to take part in the Young Voices 2025 concert. The pupils are all very excited to be taking part in this event and cannot wait to hear how they get on!

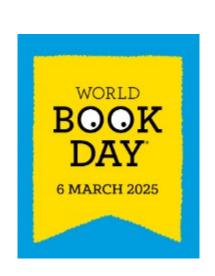

Across school we have lots of other visitors and special events planned for the spring term. We are excited to be establishing a link with the British Army who are going to be supporting activities including STEM workshops, teambuilding, resillience and problem solving. We also have fossil workshops taking place, a visit from the Animal Man and Bikeability. There will be something happening for everyone in school!

In March we have two exciting events taking place, World Book Day and Comic Relief.

More information about the different activities taking place across these days will be shared in the New Year.

All pupils take part in weekly PE sessions in school. In order to maximise the lesson time for PE, children are invited to come into school in their PE kit on the day when their PE lesson is taking place.

School PE kit consists of plain black shorts/leggings/jogging bottoms that should have no logos or additional detail and a plain white t-shirt. Pupils can also wear trainers on their PE days. Pupils should then wear their school jumper with their PE kit. Please see the pictures above as examples of kit.

**PE Days:** 

Monday: Year 1

Tuesday: Year 3

Wednesday: Reception and Year 4

Thursday: NAM and Year 6

Friday: Year 2 and Year 5

Swimming (until February half term): Monday: Year 3 and Year 4

eep a look out for the details of our after-school clubs coming in the New Year. SIPS music clubs will be running the first week back - including drumming, recorders, brass band, violin and ukulele. As ever, all of our after school clubs will continue to run for FREE next year.

After School Clubs

Children's

Join us for breakfast club at Ryders Green Primary School

Children can join us each day to enjoy breakfast from a variety of Toast, Toast and Jam, Cereal, Fruit and a drink.

Drop off is from 7.30am at the main entrance however, there are limited places available at a cost of £2.50 per day.
